**JUDITH HOFFBERG**

**2009**

Judith Hoffberg was a librarian, archivist, lecturer, curator, art writer, editor and publisher.

In 1978, She founded Umbrella Associates. She edited and published Umbrella, a newsletter on artists' books, mailart, and Fluxus art, for 30 years. She was a personal friend of mine for more than 25 years.

The professional standards and scholarship she brought to the anarchistic world of mailart played a huge role in the growth of the eternal network during the halcyon days of the late 70's and early 80's.

Judith Hoffberg passed away peacefully on January 16, 2009.
